- Weight empty: 2 300 lb
- Weight filled: 15 000 lb
- Ozone sanitation system
- Internal components made in Quebec
- Lucite® acrylic shell
- Insulated and soundproof fiberglass cabinet
- IN.K1000 touch screen keypad
- Ecological RMAX™ insulation 
- S Series: Sound & Style/Phantom speakers (depending on the model)
- Rowing exercise system
- Black deluxe cover

AKTIVE LINE SPAS

As opposed to other swim spas, Trevi training spas feature a large unobstructed floor, appropriate for all types of activities. You can adjust the water flow, which is ideal for low-impact jogging/treading. Stainless steel handles provide additional support. With its optional exercise and muscle-building equipment such as rowers and elastics, it's a great alternative to the gym!
