

SEMI IN-GROUND POOLS

THE NEW COLLECTION

TREVI HARMONY

SEMI IN-GROUND RESIN AND STEEL POOL

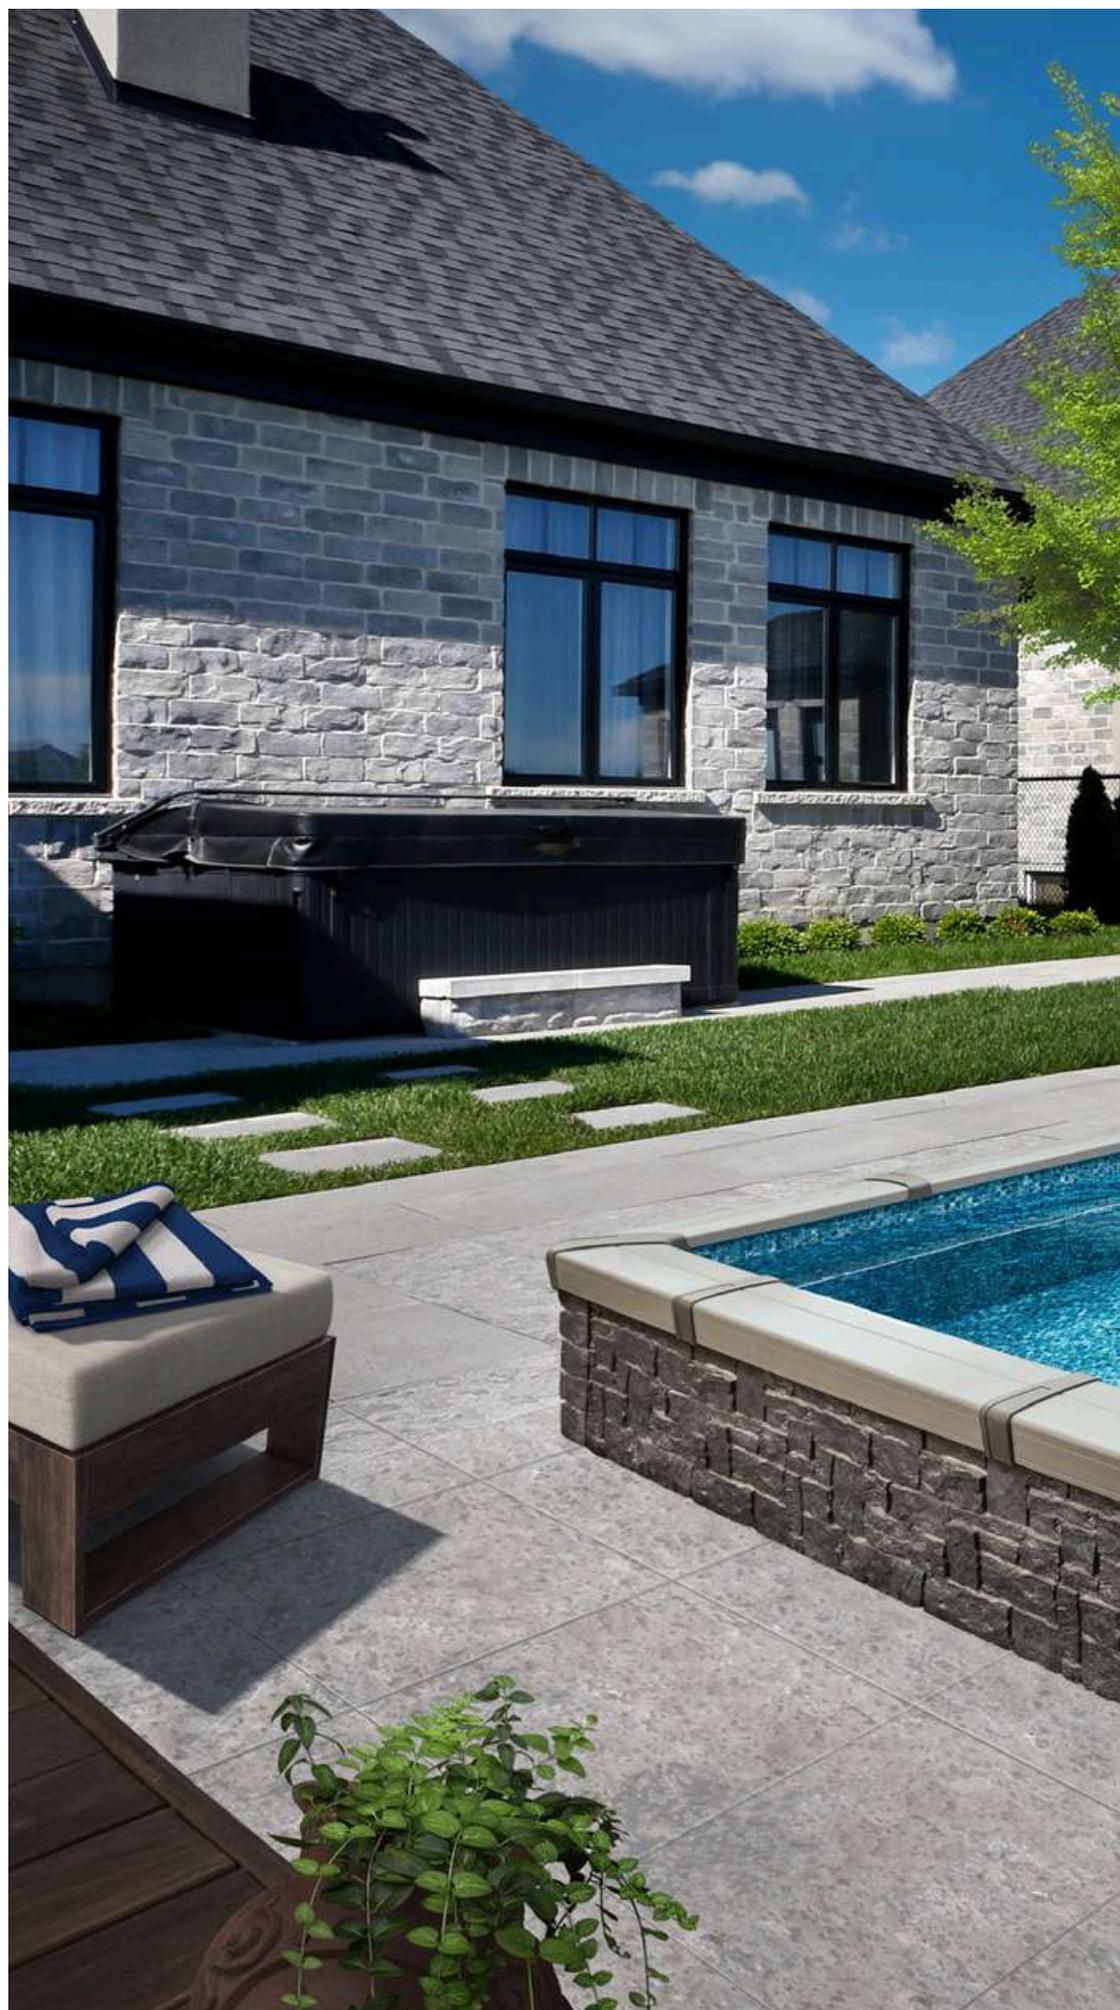

Treat yourself to the majestic and spacious Trevi Harmony, the latest addition to Trevi's line-up. With a manufacturing process similar to in-ground pools, it boasts a concrete bottom and rises only 18 inches from the ground.

A PRODUCT MANUFACTURED HERE, PROUDLY FROM QUEBEC

Trevi's head office and production facilities are located in Mirabel. We control all stages of manufacturing, from design, to sales, to installation. Because our products are made entirely in Quebec, they are also perfectly adapted to our harsh climate. Thanks to top-quality materials and technological advances, the Trevi product range is constantly evolving.
